“ Washington is a mess. Too many politicians are in it for themselves. That’s why I’m cracking down on special perks and privileges for politicians. **For me, Arizona comes first, not Washington.** ”

– Ann Kirkpatrick

ANN KIRKPATRICK. SHE'S FOR ARIZONA. ANN KIRKPATRICK. SHE'S FOR ARIZONA.

ANN KIRKPATRICK

CRACKING DOWN ON PERKS FOR POLITICIANS. STANDING UP FOR ARIZONA.

INDEPENDENT, PRINCIPLED, AND ARIZONA THROUGH AND THROUGH, ANN KIRKPATRICK PUTS US FIRST. In Washington, she's cracking down on congressional perks and privileges because our representatives should be working for us, not themselves. It's time to get back to work to create jobs, stand up for seniors, and care for veterans. That's just Arizona common sense. **THAT'S ANN KIRKPATRICK.**

THREE WAYS ANN IS TAKING ON WASHINGTON

- 1** It's time for Washington to play by the same rules as everyone else. **That's why Ann voted to stop giving taxpayer-funded health care for life to members of Congress.** And when members of Congress were set to give themselves a pay raise, Ann said no way.
- 2** While Arizona families are sitting down and making tough financial decisions, too many politicians in Washington refuse to work together to pass a budget. **Politicians shouldn't be getting paid if they won't do their jobs,** that's why Ann supports the *No Budget, No Pay Act*.
- 3** Arizona needs a leader who puts us first, not special congressional perks and privileges. **That's why Ann voted to stop letting politicians lease cars at the expense of taxpayers.** And it's why she's fighting to end taxpayer subsidies for free gym memberships and haircuts.
