A large, 3D-style graphic of the word "NO." in a bold, sans-serif font. The letters are white with a dark grey shadow, giving them a three-dimensional appearance. The word is positioned above a horizontal line, and its reflection is visible below the line. The background is a light, neutral color.

“When Congress tried to give themselves free taxpayer health care for life, **I SAID NO.** Congress needs to play by the same rules as everybody else.”  
— Ann Kirkpatrick

**CRACKING DOWN ON PERKS FOR POLITICIANS. PUTTING ARIZONA FIRST.**

- ▶ It's time for Washington to play by the same rules as everyone else. **That's why Ann voted to stop giving taxpayer-funded health care for life to members of Congress** and why Ann is working to end taxpayer-funded first-class flights and private jets for Congress.
- ▶ While Arizona families are sitting down and making tough financial decisions, too many politicians in Washington refuse to work together to pass a budget. **Politicians shouldn't be getting paid if they won't do their jobs**, and that's why Ann supports the *No Budget, No Pay Act*.
- ▶ Arizona needs a leader who puts us first, not special congressional perks and privileges. **That's why Ann voted to stop letting politicians lease cars at the expense of taxpayers.** And it's why she's fighting to end taxpayer subsidies for free gym memberships and haircuts.

**ANN KIRKPATRICK FOR CONGRESS. SHE'S FOR ARIZONA. VOTE TUESDAY, NOVEMBER 4.**
