ANN KIRKPATRICK. CRACKING DOWN ON PERKS FOR POLITICIANS.

- ▶ Voted to stop giving taxpayer-funded healthcare for life to members of Congress.
- ▶ Supports the *No Budget, No Pay Act* because politicians shouldn't be getting paid if they don't work together to pass a budget.
- ▶ Opposed the effort to give Congress a pay hike because Washington shouldn't be rewarding itself for dysfunction.
- ▶ Cracking down on taxpayer-funded goodies for politicians like car leases, first-class airfare, free gym memberships, and haircuts.

VOTE ANN KIRKPATRICK FOR CONGRESS.
