ANN KIRKPATRICK IS BRINGING POLITICIANS BACK DOWN TO EARTH.

1

Voted to stop giving taxpayer-funded healthcare for life to members of Congress.

2

Supports the *No Budget, No Pay Act* because politicians shouldn't be getting paid if they don't work together to pass a budget.

3

Opposed the effort to give Congress a pay hike because Washington shouldn't be rewarding itself for dysfunction.

4

Cracking down on special perks for members of Congress like taxpayer-funded first-class flights and private jets, gym memberships, and haircuts.
