

LOBBYIST-LOVIN' ANDY TOBIN'S reckless lawsuit against Medicaid expansion would have hurt 300,000 Arizona families. His cuts to Child Protective Services hurt children.¹

NOW HE WANTS TO TAKE HIS ACT TO CONGRESS.

DON'T LET HIM.

LOBBYIST-LOVIN' ANDY TOBIN'S ACT IS HURTING ARIZONA FAMILIES.

TOBIN FILED A LAWSUIT THAT WOULD HAVE KEPT KIDS OFF MEDICAID

While thousands of rural Arizonans rely on Medicaid, **Andy Tobin recklessly opposed the state's Medicaid expansion that resulted in 300,000 Arizonans, including our kids, getting health coverage** paid for by the federal government. He even filed a lawsuit against the Governor from his own party to stop it. If he was successful, our tax dollars would have gone to families in New York and New Jersey instead.¹

TOBIN CUT FUNDING FOR CHILD PROTECTIVE SERVICES

Tobin voted not once but twice to cut funding for Child Protective Services. As a result, 159 caseworkers lost their jobs and critical child abuse cases weren't investigated. Because of Tobin's votes, nearly 900 cases of child abuse and neglect went unanswered.²
