

They rely on Medicaid.

But **ANDY TOBIN** FILED A LAWSUIT against his own party's governor to kill Medicaid expansion for over 300,000 Arizona families. His plan was so reckless it would have sent our tax dollars to help families in New York and New Jersey instead.¹

POLITICIAN ANDY TOBIN

is focused on himself,
not Arizona families.

Hundreds of thousands of Arizonans rely on Medicaid. But Andy Tobin recklessly opposed the state's Medicaid expansion. He even filed a lawsuit against the governor from his own party to stop it. If he was successful, our tax dollars would have gone to families in New York and New Jersey instead.¹

Rather than looking out for Arizona families, Tobin's been looking out for himself with more gifts from lobbyists than anyone else in the legislature.² He's so focused on himself he can't do right by the rest of us.

ANDY TOBIN IS **WRONG** FOR OUR FAMILIES.
HE'S **WRONG** FOR ARIZONA.
