

“I work with kids everyday. That’s why it bothers me that Andy Tobin opposed expanding Medicaid. He even filed a lawsuit against the governor to prevent 300,000 kids from receiving healthcare. If he had his way, our kids would lose coverage and our tax dollars would go to other states. Tobin’s not looking out for Arizona kids.”

# ANDY TOBIN PUTS HIMSELF BEFORE ARIZONA FAMILIES AND KIDS.

Andy Tobin's taken more special interest cash gifts than any other member of the Arizona Legislature, but that's not the whole story.<sup>1</sup>

Hundreds of thousands of Arizonans rely on Medicaid, but Tobin filed a lawsuit against his own party's governor to kill Medicaid expansion for over 300,000 Arizona families. His plan would have sent our tax dollars to help families in New York and New Jersey instead. **That's right, Tobin actually sued the governor to prevent kids from receiving healthcare.<sup>2</sup>**

Tobin's bad enough in Phoenix. Let's not send him to Washington where he would be even worse.

**VOTE NO ON ANDY TOBIN. HE'S OUT FOR HIMSELF. NOT ARIZONA.**
