

WE CAN'T TRUST ANDY TOBIN TO STAND UP FOR ARIZONA.

Andy Tobin sued our governor to stop Medicaid expansion.

If Tobin was successful, 300,000 Arizona families would have been denied care.¹

At the same time, Andy Tobin was taking more gifts from special interest lobbyists than any other Arizona legislator.² **Tobin's out for himself, not us.**

VOTE ANN KIRKPATRICK FOR CONGRESS

ENDORSED BY

THE ARIZONA REPUBLIC

October 2, 2014

"[Kirkpatrick] embodies her district in both tone and mindset...[she's] right for rural Arizona and right for District 1. She deserves a return engagement to Congress."

ENDORSED BY

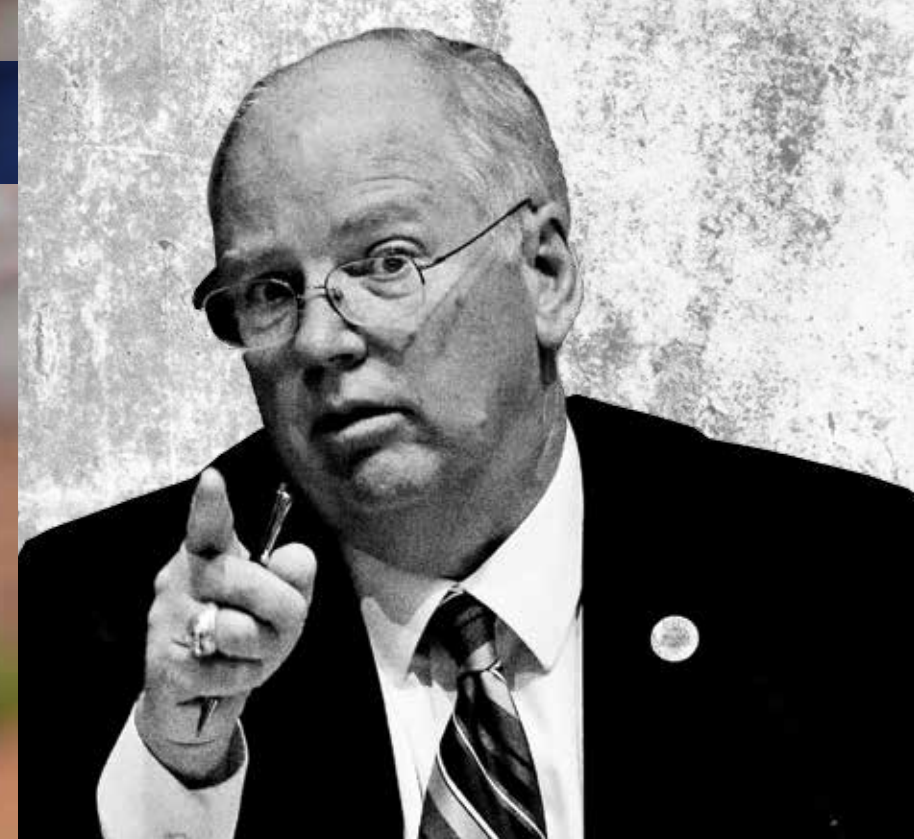

Arizona Daily Star

October 12, 2014

"[Kirkpatrick] is an effective advocate for District 1... her record also reflects that she's willing to put the needs of her district ahead of party loyalty."

DOING WHAT'S RIGHT FOR ARIZONA

- ▶ Voted to stop giving taxpayer-funded healthcare for life to members of Congress.
- ▶ Supports the *No Budget, No Pay Act* because politicians shouldn't be getting paid if they don't work together to pass a budget.
- ▶ Opposed the effort to give Congress a pay hike because Washington shouldn't be rewarding itself for dysfunction.
- ▶ Cracking down on special perks for members of Congress like taxpayer-funded car leases, first-class flights, gym memberships, and haircuts.

ANDY TOBIN'S BEEN OUT FOR HIMSELF WHILE HE LEFT US BEHIND

- ✗ Tobin got more money from lobbyists than any other member of the Arizona Legislature. He got a bunch of free meals from lobbyists too.¹
- ✗ When voters got wind of all the gifts, there was an outcry to ban them. Tobin shot down the gift ban and called it "silly."²
- ✗ His carousing with lobbyists got so bad he was even investigated for a free Fiesta Bowl junket.³
