"[Kirkpatrick] embodies her district in both tone and mindset...[she's] right for rural Arizona and right for District 1. She deserves a return engagement to Congress."

ENDORSED BY

Arizona Daily Star

October 12, 2014

"[Kirkpatrick] is an effective advocate for District 1... her record also reflects that she's willing to put the needs of her district ahead of party loyalty."

ANN KIRKPATRICK

SHE PUTS ARIZONA FIRST

- ▶ Ann opposed the President's so-called "chained-CPI" that would have cut Social Security benefits for Arizona seniors, and she will always vote against plans to privatize Social Security.
- ▶ Ann secured smart investments in infrastructure to create good-paying construction jobs that lead to more economic growth in Arizona.
- ▶ Ann has passed legislation to help reduce the VA claims backlog and worked rigorously on veterans' issues like rural healthcare, education, and job placement.
- ▶ Ann is cracking down on perks and privileges for politicians, like taxpayer-funded healthcare for life and first-class flights, because she knows our representatives should be working for us, not themselves.

ANDY TOBIN

HE PUTS HIMSELF FIRST

- ✗ Tobin would let Social Security go broke, which would hurt Arizona seniors who've paid into it since their first day on the job.¹
- ✗ He recklessly opposed the state's Medicaid expansion that resulted in 300,000 Arizonans, including children, getting health coverage.²
- ✗ At the same time, Tobin was taking more gifts from special interest lobbyists than any other Arizona legislator.³
