 -2015 Campaign Reports "Truth is the Daughter of Time" Political Committee

**Follow the money and play Sarnoffopoly today!**

Sarnoffopoly is dedicated to showcasing the outrageous amounts of special interest money collected by Teresa Sarnoff and her political committee. Roll the dice and see which special interest you land on! Will you get thousands from parking and towing companies, or will you hit it big and get over \$56,000 from a mega developer?

**How can we trust Teresa Sarnoff to act impartially on some of Miami's biggest issues when she's being funded by the companies and millionaires causing the problems?**

In fact, a whopping 75% of Teresa's campaign contributions (both through her campaign and her family's political committee) have been from these special interests.

**Teresa Sarnoff is running for Miami City Commissioner, and her campaign is being bankrolled by some of Miami's most well-connected special interests.**
