VOTING HAS NEVER BEEN EASIER.

Three people are shown in a row, each holding a white sign with black text. On the left, a man in a grey suit and purple shirt holds a sign that says "RAISE THE MINIMUM WAGE". In the center, a woman in a blue denim jacket over a blue top holds a sign that says "SUPPORT OUR SCHOOLS". On the right, a man in a grey button-down shirt holds a sign that says "VOTING EARLY IS EASY". They are all smiling and standing in what appears to be a community center or polling station with other people in the background.

THREE GOOD REASONS TO VOTE EARLY.

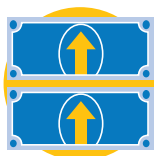

1 VOTING EARLY IS EASY

BY VOTING EARLY and not waiting until Election Day, you fulfill your commitment to vote on your own schedule, when it's convenient for you. Because you've already done your part, you don't have to worry about how you'll make it to the polls on a busy Tuesday. You simply get to look forward to Election Day and hearing about the results.

2 SUPPORT OUR SCHOOLS

VOTE YES to give Illinois schools an extra \$1 billion to reduce class sizes, recruit and retain better teachers and upgrade classroom materials to help our students have a better chance to learn and prepare for careers or college. A three percent surcharge will help to ensure that the millionaires pay their fair share.

3 RAISE THE MINIMUM WAGE

VOTE YES to support raising our state's minimum wage because no one can support a family on the current minimum wage of \$8.25 an hour—that is just \$17,000 per year for a full-time worker. Lifting the minimum wage will immediately help over 1 million Illinois workers.
