RAS BARAKA WILL INVEST IN OUR CHILDREN'S EDUCATION— NOT CLOSE OUR SCHOOLS

MAINTAIN STRONG, SAFE NEIGHBORHOOD SCHOOLS.

As the principal who turned around Central High, Ras knows the value of neighborhood schools. He is fighting to block Christie's plan to close local Newark schools.

DEMAND LOCAL CONTROL OF SCHOOLS.

We need a locally-elected Board of Education to ensure effective instruction and management, and community involvement. Ras is fighting to return local control to us.

FAIR FUNDING FOR NEWARK'S CHILDREN.

Ras will fight for funding for all our local schools, public and charter, to expand pre-school, provide as rich curriculum as other parts of NJ and make our schools safer.

*Chris Christie's Wall Street friends are throwing mud
because Ras Baraka is standing up for our neighborhood schools.*
