BASIC MESSAGE

As we have been going door-to-door talking to Butler Township residents about Joe Flanagan, one issue stands out: Public Safety. Butler Township residents want better police protection.

Joe has listened and Joe pledges to make public safety his number one priority. Joe believes we must improve police protection in our neighborhoods and he will champion community-based policing that forges a stronger bond between the police and the residents of the Township.

Joe's commitment to public safety is one reason he has been endorsed by Sheriff Phil Plummer.
