DIEHL
STATE SENATE

At a very early age Geoff's parents taught him the value of hard work, education and honesty. He earned the rank of Eagle Scout by the age of 16, graduated from Lehigh University with a double major. On a blind date in New York City, Geoff met South Shore native KathyJo Boss. One year later, they were married.

Moving to her home town of Whitman, Geoff became an Account Executive at Poyant Signs, while also assisting KathyJo with opening Boss Academy of Performing Arts in the town of Hanson.

They have two daughters, Kaylee and Emily, and are involved with many local organizations. Geoff is a member of the Abington Lions Club, the East Bridgewater Business Association, the South Shore Chamber of Commerce and the MetroSouth Chamber of Commerce. He also is a Member of the Board of the BSA Old Colony Council. KathyJo is Director of Whitman Youth Cheerleading, is a member of the Whitman Cultural Council and supports Hanson's Little League and D.A.R.E. program.

In 2007, Geoff handled the restoration of the historic Toll House sign in Whitman, including obtaining the underwriting of the project by the Nestle Corporation. He is also a former member of the Whitman Finance Committee.

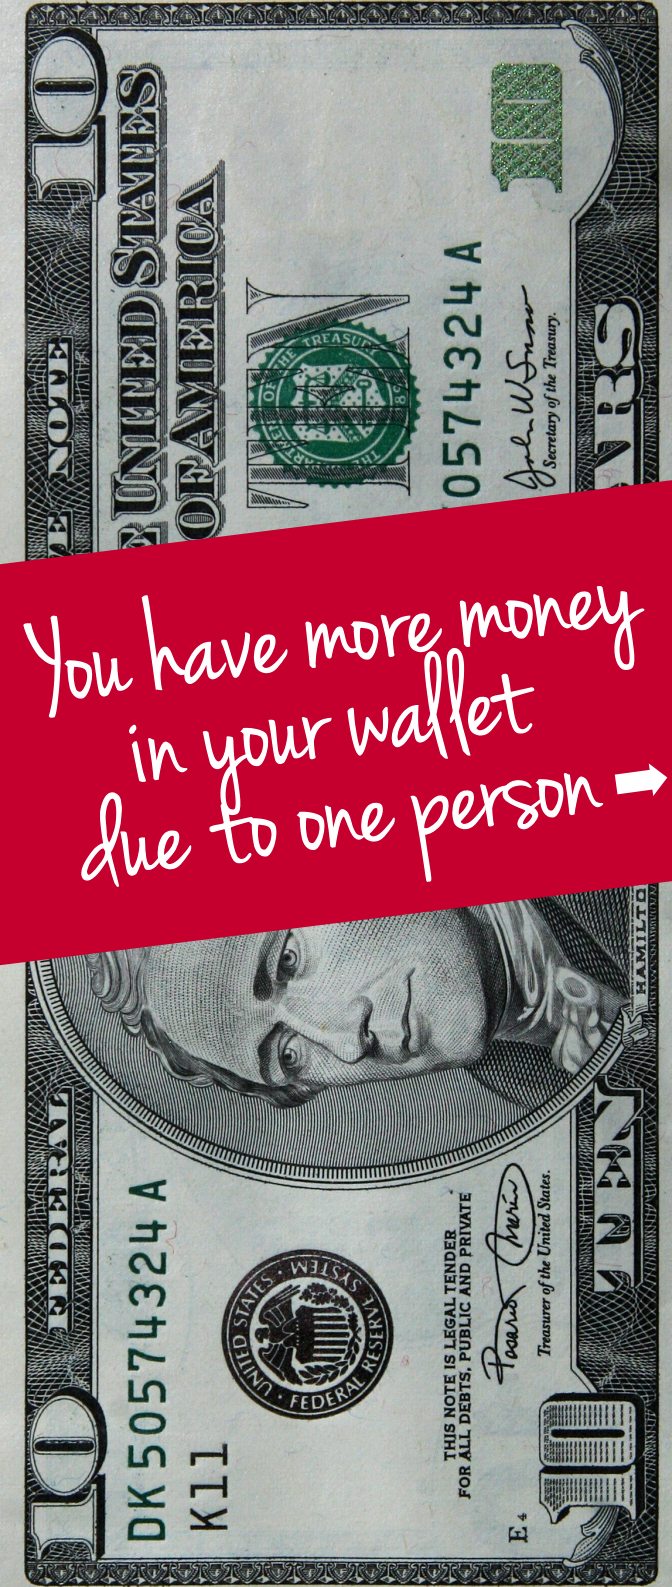

In 2010, Geoff was elected State Representative. He has led the fight for more transparency, accountability of our tax dollars and protecting taxpayers. Geoff saved taxpayers from a \$2 billion gas tax increase.

Geoff Diehl Repealed Automatic Gas Tax Increases!

He's saving you money every day!

**Many politicians talk.
Geoff Diehl takes actions
and gets you results!**

In 2013, the legislature passed a law linking the gas tax to inflation which meant our gas taxes were going to increase every year without even a vote.

One State Representative, Geoff Diehl, stepped forward to fight this taxation without representation. He stood up for us –taking on Beacon Hill insiders and powerful lobbyists and special interest groups. Geoff stopped the raiding of our wallets and the biggest tax hike in the history of Massachusetts.

Without Geoff Diehl's effort, your gas taxes would have increased last January 1st and every January 1st for the rest of your life. Geoff Diehl is the real Diehl for us.

The Real Diehl for you!

- Led the effort to successfully repeal the gas tax being linked to inflation.
- Stopped the legislative payraises.
- Led the effort to protect taxpayers from having to pay for Olympics which would have cost taxpayers \$10 billion.
- Led the fight for more transparency within the legislature.
- Worked to increase local jobs
- Fought for more and increased local aid
- Always accessible. Geoff holds regular office hours in the district.
- He is a *full time* State Representative and he will be your full time Senator.
