ADPAC is a federally registered political committee and the contributions it receives are used to support federal candidates and committees. Contributions to ADPAC are voluntary and any person has the right to refuse to contribute without reprisal. The contribution guidelines are merely suggestions and a person may contribute more, less or not at all without concern of favor or disadvantage by the ADA. Corporate donations will not be used by ADPAC for contributions but will be used exclusively to pay for the administrative and operating expenses for ADPAC or related political activity. Contributions are not deductible as charitable contributions for federal tax purposes. Federal law requires ADPAC to request the name, address, occupation, and employer for each person whose contributions exceed two hundred dollars (\$200.00) in a calendar year.
