## AT&T Aspire Accelerator

Are you on a mission to use technology to enhance learning and help every student achieve a bright, successful future?

[Apply now](#) to be part of the 2016 Class!

Technology is changing the world – it is changing how we communicate, how we work, and how we play. It is also fundamentally changing how we learn.

Mobile technology, applications, and services are empowering students to achieve, removing barriers to graduation, enabling teachers, and preparing today's learners for the jobs of tomorrow.

The Aspire Accelerator works with organizations that use technology to help students succeed, strengthen schools and communities, or prepare learners for employment.

The Aspire Accelerator will connect you with the resources, services, expertise, and relationships they need to drive exponential change in how we learn.
