

Darling, as a woman I won't see equal pay until 2059.

Of course I need a drink.

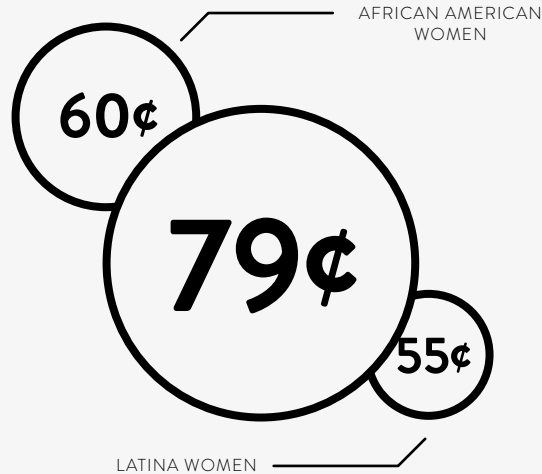

Make It Work

MAKEITWORK.ORG

A woman working full-time is paid 79 cents —————> for every dollar a man is paid.

\$1.00

THAT'S ON AVERAGE, \$11,000 PER YEAR LOST. THAT COULD BE A YEAR'S WORTH OF FOOD OR RENT, AND WHO KNOWS HOW MUCH PREMIUM CABLE!
