

According to the American Lung Association,  
the Clean Power Plan means healthier air for Virginia.

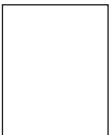

**That's good, because our kids can't hold their breath forever.**

**Call Senator John Watkins at (804) 698-7510.  
Thank him for supporting the Clean Power Plan.**

Over 11,000 kids in our area suffer from pediatric asthma.  
But we can help them.

**The American Lung Association says the Clean Power Plan means healthier air for Virginia.**

Right here in our area, the air we breathe is contributing to over 11,000 kids suffering from pediatric asthma.<sup>1</sup> Senator Watkins knows we can do better and that's why he voted to protect the Clean Power Plan. **Call Senator John Watkins and thank him for doing the right thing so our kids can breathe easier.**

1. American Lung Association State of the Air 2014.

**Call Senator John Wakins at (804) 698-7510.  
Thank him for supporting the Clean Power Plan.**
