WWW.EMILYFORINDY.COM

Emily Shrock has been protecting our kids. Now she's going to protect our neighborhoods.

- **As our Deputy Prosecutor, Emily protects our children.** Emily has seen some of the worst cases in Indianapolis and fought for children when no one else would. As our next Councilor, Emily will fight just as hard to protect all of us.
- **Emily understands crime knows no boundaries.** Emily has experienced and seen the crime in our neighborhoods. It's one of the reasons why she's running for City Council. She knows we deserve to feel secure in our future.
- **Emily has worked with Democrats AND Republicans.** Emily knows public safety is not a partisan issue. That is why she's worked for Indiana's Republican Attorney General, Greg Zoeller, and worked with the city's Democratic Prosecutor, Terry Curry, to keep our streets safe.
