A quick note from 93-year-old Rockwall Conservative Dorothy Fox

Dear Fellow Conservative,

What do car radios, electric drills, and sliced bread all have in common?

They were **all invented since the last time a Rockwall County Republican was elected to the Texas House of Representatives – 100 years ago!** 7 years before I was born!

How did this happen? Well, even though Rockwall has the majority of the population in this district, in the past we have thrown our support behind candidates from other areas.

But THIS YEAR, other areas will support a Rockwall candidate: conservative Justin Holland.

Justin played football and graduated from Rockwall High School. Today, Justin and his wife raise their two girls here and he owns a very successful, family real estate business serving our area. But, most importantly, Justin shares the conservative values that unite us all.

On the City Council, **Justin was a driving force in cutting waste and growing our economy.** In fact, under his leadership, the local economy was strong and the City's bond rating improved!

With Justin Holland, we will have a conservative who shares our experiences, goals, and values. **Justin will fight to secure our border, protect life, defend the 2nd Amendment, and put faith and family first.**

At 93, I have been waiting a LONG TIME for a Rockwall conservative like Justin Holland! **Please join me in voting early for Justin Holland.**

Even if you're as young as 65 (or older), you can vote by mail. **Your official application for ballot-by-mail is attached below.** Just sign it, add a first-class stamp, and mail it in right away. Once you receive your ballot in the mail, you simply vote and mail it in. It's that easy.

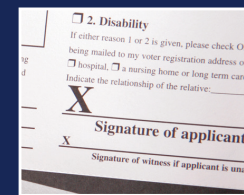

The deadline is fast approaching, so please return the request for a ballot by mail today!
