Subject: Gabby's progress

AMERICANS FOR **RESPONSIBLE** SOLUTIONS PAC

It's been almost 4 years since a gunman tried to take Gabby's life while she was meeting with her constituents. While she survived, our friends, neighbors, and co-workers lost their lives or those of loved ones.

The long road of recovery for Gabby has been incredibly difficult. But we've beat expectations, and Gabby gets stronger every day.

We thought that after Gabby resigned from Congress, we'd focus on building Gabby's strength and our family together.

But then a gunman killed 26 people, including 20 children, at Sandy Hook Elementary School. And we knew that our lives would change again.

After seeing the horror at Sandy Hook, Gabby and I started Americans for Responsible Solutions. **We dedicated ourselves to making sure that no other family would have to experience losing a loved one to gun violence.**

We were disappointed -- furious, even -- when a minority of Senators blocked expanded background checks, meaning criminals and the severely mentally ill would still have easy access to guns.

But this is a long haul. The gun lobby has both deep pockets and a history of blocking even the most basic solutions to reduce gun violence.

We need to do all we can to protect those members of Congress who want to work with us to keep communities safe -- and do all we can to keep out the gun lobby's candidates who will obstruct that progress.

I hope that one day, we will see the President sign these sensible ideas into law. But we need your help to do it.

We have an urgent fundraising deadline tomorrow night. Can you contribute \$5 now to support our work to reduce gun violence?

Every dollar you donate before midnight tomorrow will be matched by an anonymous donor -- so you can double your impact.

If you've saved your payment information with ActBlue Express, your donation will go through immediately:

Express Donate: \$15
